Huron High Graduates Awarded Scholarships

BY MARGARET E. O'KELLEY

May 16, 2003 was an exciting evening at Huron High School. Records were set as over \$600,000 in scholarships were given away to graduating seniors.

David H. Kuykendall served as Master of Ceremonies for the event and the Welcoming Address was delivered by retiring Principal Ken Larson. The presentation of the National Honor Society Tassels and Stoles was made by Assistant Principal JoAnne Gerben.

A 100% Golf Scholarship was awarded by Wayne State University to Ryan Johnson and Lauren Clark received an 80% first year scholarship and 100% for the following three years for softball from Eastern Michigan University.

Jason Thornsberry was presented the DFP and the MASSP Scholar - Athlete Award by Athletic Director Rick Dorn. The Flat Rock Kiwanis Scholarship, presented by Robert Almaguer, was awarded to Juliann Jarowski.

The Huron Township Chamber of Commerce presented \$2500 in scholarships to Danielle Muheisen, Brandy Myers and Jason Thornsberry, the presenter was Chamber Vice President Linda Hamrick.

Roberts Hargreaves, Gerry Burke and R.P. Lily representing the Huron Township Rotary awarded \$6500 in scholarships to the following graduates: Mary Swantek, Ben Polak, Frank Palumbo, Leigh Frank-

lin, Brandy Myers, Juliann Jarowski, Tom Danowski, Laura Schrock, Rebecca Jamison, Gina Bell and Danielle Muheisen.

Dean Moening presented the Monroe Bank and Trust Scholarship to Diana Sorich. The Ron Smith Memorial Scholarship was presented by Rick Dorn to Julie Jarowski and Jason Thornsberry. Jack Richert, School Board Trustee, presented the Special Tree Scholarship to Jason Thornsberry.

Rick Dorn presented the Wendy's High School Heissman Award to Jason Thornsberry and the Principal's Leadership Award was presented to Jason Thornsberry by Ken Larson.

The Top Ten and Valedictorian Awards followed.

(These were listed in a previous issue of the H.R.W.)

In closing Principal Ken Larson stated how proud he was to have spent his last year as an educator with such a remarkable graduating class.

He quoted statistics stating that 28 graduates had a 3.5 GPA or above and 6 had a 4.0 GPA or above. What a terrific class, we should all be proud of every graduating student.

Above: Two of the recipients of the Huron Township Chamber of Commerce scholarships.

Left: Recipients of the Rotary Scholarships. Huron High School students won a record \$600,000 in scholarships and awards for outstanding achievements.

New Principal for Huron High School

BY MARGARET E. O'KELLEY

The year 2003 will be very exciting for a 1971 graduate of Huron High School, Rod Hopper, as he takes the helm of his former Alma Mater. He is the new Principal at Huron High

Rod Hopper has been an active member of the community since moving into Huron Township in 1967. He continued to demonstrate his love for this area by beginning his teaching career in the Huron District upon graduation from college. Hopper received both his B.S. in 1975 and M.A. in 1980 from Eastern Michigan University.

Due to growing up in Huron Township, Rod realizes how close knit and personal the residents of this community can be, so he eagerly shared his private life with this reporter. Upon moving into Huron his father developed a

lane with a few lots and called it Dolly Circle, after his mother - Rod's grandmother. He has been married to wife Betty for 28 years and they have two children, Renee a senior in college and Alex a senior in high school.

Rod Hopper served 25 years on the Huron Township and Flat Rock Fire Departments. He rose to the rank of Deputy Chief and received two Commendations, one for lifesaving and one for river rescue. Rod also serves as the school representative to the Huron Township Rotary.

Rod decided a long time ago to spend his career at Huron School District "It is a great

Rod Hopper, the new principal at Huron High School.

community and a great place to work".

He has set several goals for both himself and the high school faculty: (1) After academics and program essentials are met, he wants the high school to be a community center again, where people would be

as at home in the classroom as in their living room. Parents made to feel welcome and encouraged to participate. Choose a Council of Elders from the community to be both supportive and advisory. "This community will respond when there is a need - does not have to be at a PTO level to be involved." (2) In 5 years wants to have a line of

students on open enrollment day - wants Huron to be the most sought after school in the area. (3) Wants to grow programs for the kids we are not currently reaching—kids who do not feel connected. Establish more connections with kids who feel alienated.

His primary goal "Is to facilitate what a superior staff does best. My job is to run interference for world-class teachers delivering a world-class program". He wants students to be better prepared for what the future holds. Concentrate on citizenship, civil discord, appropriate behavioral choices and personal responsibility.

Rod is excited about this opportunity and said, "I am humbled that they chose me to do this. I will make mistakes and will stand up and admit so, and I am confident our successes will outweigh our problems."

Soroptimist International — Flat Rock Names Hazel Bunte Cunliffe "Woman of Distinction"

Hazel Bunte Cunliffe, a charter member of SI of the Flat Rock Area, was chosen as the 2003 Woman of Distinction. She has demonstrated outstanding ability and leadership in the areas of economic and social development and human rights and improving the status of women. She was honored at the annual banquet on June 4, 2003 at the Grosse Ile Country Club. She was also recognized at the Soroptimist International Mid-Western Spring Conference in Cincinnati in April.

Hazel is a life-long resident of Flat Rock. She attended Flat Rock schools. Following the death of her father Hazel took over the family businesses in order to support her mother. Hazel's father, Henry Bunte, started the Huron Valley Cemetery on West Huron River Drive as well as the local tile company.

He also had a business selling International Harvester Farm Equipment where Hazel was already working at the time of her father's death. Hazel had to learn to deal with the local farmers, as well as their problems and anticipating their needs. She credits herself with not only selling, but also training the buyer and providing service. She brought the first automatic corn picker and hay baler into our area and spent the first days of their use working in the field with the buyer.

She personally notes that she soon learned that wearing trousers made a lot more sense when hopping fences than dresses.

It was the farm equipment business that led to a career change for Hazel. Many of the farmers who bought equipment from her were being approached by real estate developers to sell their land. One of them said to her, "Hazel, they're buying our farms. They're going to put you out of business. Come on, you do it." So Hazel went back to school and got her real estate license. After working for two years for Bill Joy, a local broker, Hazel got her own broker's license, and has sold real estate ever since, a position she holds to this day.

Hazel was also active in local politics. She was the Brownstown clerk for fourteen years, being elected seven times. She was the secretary for the Michigan Township Association for eight years. Hazel served many years on the board of the Flat Rock Business Association and was secretary for eight years.

She was also on the board for the Wayne County 4-H fair for many years. She, along with

Hazel Bunte Cunliffe, recipient of the "2003 Woman of Distinction" award with presenter Sharon Wilson.

her husband and son, owned and rode horses for many years. They established the James A. Cunliffe Award for horsemanship competition at the fair as an annual event. Hazel has enjoyed serving as a judge for this event and for other livestock competitions.

Hazel was pleased that while she was on the Brownstown Township Board, the board put many miles of water lines in the township. But Hazel is most proud of her accomplishments as owner of the Huron Valley Cemetery. She finished the cemetery after the death of her father.

She stated that she learned about building processes as the mausoleum was just being constructed. She completed the process of burial plots being mapped out, as well as procedures for sales and recording of burials. Hazel was the owner and CEO of the cemetery for sixty years.

Throughout her business years, Hazel has made it a practice to help those in need. If a

farmer or his family were ill and could not afford medical treatment, or did not know where to turn, Hazel made it happen. If a "good family man" was out of work, Hazel again served as an employment resource, being aware of openings in the community, or often putting him to work for her. She has always maintained an open door policy to all and serves as a sounding board to many. Just stopping off when they were in town was a habit most area farmers stated and is still practiced day.

As a Soroptimist, Hazel has been very active over the past 51 years. She was president twice. She has served the club in many areas. In the early years of the club, fundraisers were bake sales, rummage sales and craft shows. Hazel was there for all of them.

Service activities she remembers fondly were the senior citizens appreciation dinners held yearly, and serving breakfast to the senior class following the all-night party after

graduation, and Orbit Day—a children's activity with games, rides and food held in the parking lot of what is now St. Vincent's. She spoke of work the club did for handicapped children, through the Easter Seal society. Once they arranged pony rides for the children.

When the Flat Rock club branched out to different fundraisers, Hazel modeled for our fashion show, several times. Hazel was always good at selling tickets, calling her contacts and telling them how many tickets they would need to buy.

Hazel cared for her mother, (Anna Niesen Bunte) for 40 years following her father's death. Hazel was married to James Avery Cunliffe II, who died when their son James III was fourteen. Hazel's son James, his wife Andrea, and her grandson Avery, currently live in London, England. Hazel has enjoyed the opportunities she has had to visit with them internationally.

One of her most memorable trips was when they were able to tour Germany and the region where her forefather's lived and the opportunity to visit the cathedrals. She remembers as a child, her grandfather's description of sitting where the two main rivers join and listening to the rushing water, a sound and sight she now has captured on videotape.

Hazel has been a faithful member of Faith Lutheran Church all of her life and has seen it progress from one a one room building with gas lights on a dirt road to it's current structure.

These are just a few of things Hazel Cunliffe has accomplished in her life. Abraham Lincoln once said, "Whatever you are, be a good one!" This is a very apt description of Hazel, our Woman of Distinction for 2003.

Michigan Rocks

BY MARK CLARK

- Gore Gore Girls -

The CD cover asks the questions "Strange girls, can they marry like other girls? Have children? Be happy as they are? Why were they born?" While I can't honestly answer any of those questions, I can tell you that the Gore Gore Girls, these mistresses of two-minute punk rock" serve up a potent cocktail of Motor City rock and roll. Taking their name from a gory horror movie about a lunatic who kills and mutilates strippers, the Girls say their sound was influenced by early Black Sabbath, the Marvelettes and stoner rock. They released their full-

length debut "Strange Girls" last year on the hot indie label Get Hip Records. Featuring 12 songs (9 originals/3 covers) the MetroTimes said that the CD "simply whup's ass!" My favorite cuts are "Lovin' Machine," "Hard Enough," "I'm Gonna Get You Yet" and "Hunt You Down." They have a new CD coming out this spring, but rumor has it that after its release the band is breaking up, which is really a shame. For moreinfo about this CD or their new one go to www.gethip.com. Collectors might also want to pick up a copy of their ultra cool 45 "Mama in the Moview's b/w (a cover of the Dixie Cups) A Chapel of Love."

Stroke Month Draws Attention to Prevention and Awareness

Stroke is one of the most preventable illness overall, yet most people can't even name a warning sign or a symptom for this potentially life-threatening disease. May was designated as "Stroke Awareness Month", and directed atten-

tion towards the general knowledge and understanding people have of stroke, but the information is valuable throughout the year.

Known also as a "Brain Attack," it can lead to debilitating brain damage depending on the

severity of the stroke, and where it happens in the brain. The most common type of stroke occurs due to a build-up of a plaque-like substance in the carotid arteries. When plaque is discovered, it significantly increases a person's risk for stroke.

Through prevention, the presence of plaque can be detected and treated prior to the stroke occurring. Most stroke victims never show a symptom or warning sign, therefore increasing the importance of prevention.

Life Line Screening is the

leading mobile health screening company in the nation, and focuses on the education and prevention of treatable diseases such as stroke, abdominal aortic aneurysms, peripheral arterial disease and osteoporosis.

Free educational workshops are offered throughout the communities in which we screen, and are designed to help people better understand and recognize the risk factors, symptoms and warning signs that can occur with these treatable diseases.

Screenings are fast, painless

and offered at low cost. They involve the use of ultrasound technology, and scan for potential health problems related to: blocked arteries which can lead to a stroke, aortic aneurysms which can lead to a rupture, and plaque buildup in the arteries in the legs, which is a strong predictor of heart disease. Also offered for men and women is a bone density screening to assess their risk for osteoporosis.

For information on our screenings, an appointment or to locate a site in your area, please call 1-800-449-2249.

The Laughs Continue With Summer Reading Program

There is still time for youngsters to sign up for the Monroe County Library System's summer reading, "Laugh It Up at Your Library," the program designed to keep children of all ages reading during the summer months. Children can sign up at any one of the Monroe County Library System's sixteen branch locations throughout the county. As they read this summer, they are encouraged to keep track of the book titles on a reading record and turn in that record at their favorite branch library at the end of the program to receive a free book.

Programs encouraging children to read are offered throughout the summer as well. Most events feature stories and crafts along with some very special guests. All programs are free and open to the public.

Adults are also invited to take part in the summer reading fun as the Monroe County Library System offers "One County/One Author," the summer reading program for adults. The "one city, one book" phenomenon began in Seattle in 1998 and is sweeping the country. Monroe County chose to feature the many

works of local author Loren Estleman as this summer's author. Estleman is well known for his series of mysteries that unravel in the Detroit area, often mentioning Monroe County. Reading three of any titles by Lauren Estleman entitles the reader to attend a

reception with the author prior to his talk at the Ellis Reference and Information Center on Saturday, September 6th. Adult readers are also encouraged to submit a comment card for any book they read. Comments will appear on the library's web page.

Audrey Participates in the NFL's Super Week

Dr. Audrey Zavodsky arrived in San Diego and, true to form, the NFL representatives were there to take her to the Marriott Hotel which is located on the San Diego bay. Audrey was then given a press kit that had the itinerary for her to address the invited 1000 cheerleaders the next day.

The event started at 11 a.m. Audrey was joined by Gold Medalist Janet Evans, a news anchor from the San Diego area, and popular singer Brandy. Each of these participants were called up on stage to receive the 'Cheerleader' of life award from NFL alumni CEO Mr. Frank Krauser. The New Orleans cheerleaders and San Diego cheerleaders also joined in with the presentations to the group. Several NFL players were there including Larry Foster, Jim Robinson, Harry Crockett and others.

The invited cheerleaders were broken up into 4 groups so that each 'Cheerleader' of life could speak to them at the same time and to make the contact more personable. Afterwards, there was an autograph session that went on for about an hour. It was interesting that many, if not most, of the cheerleaders wanted their jerseys autographed in addition to the Visteon hero cards that were given. The reception by these enthusiastic children was matched by many of the workers coming up and wanting to talk to Audrey and to get an autographed hero card.

This event was followed up with a television interview.

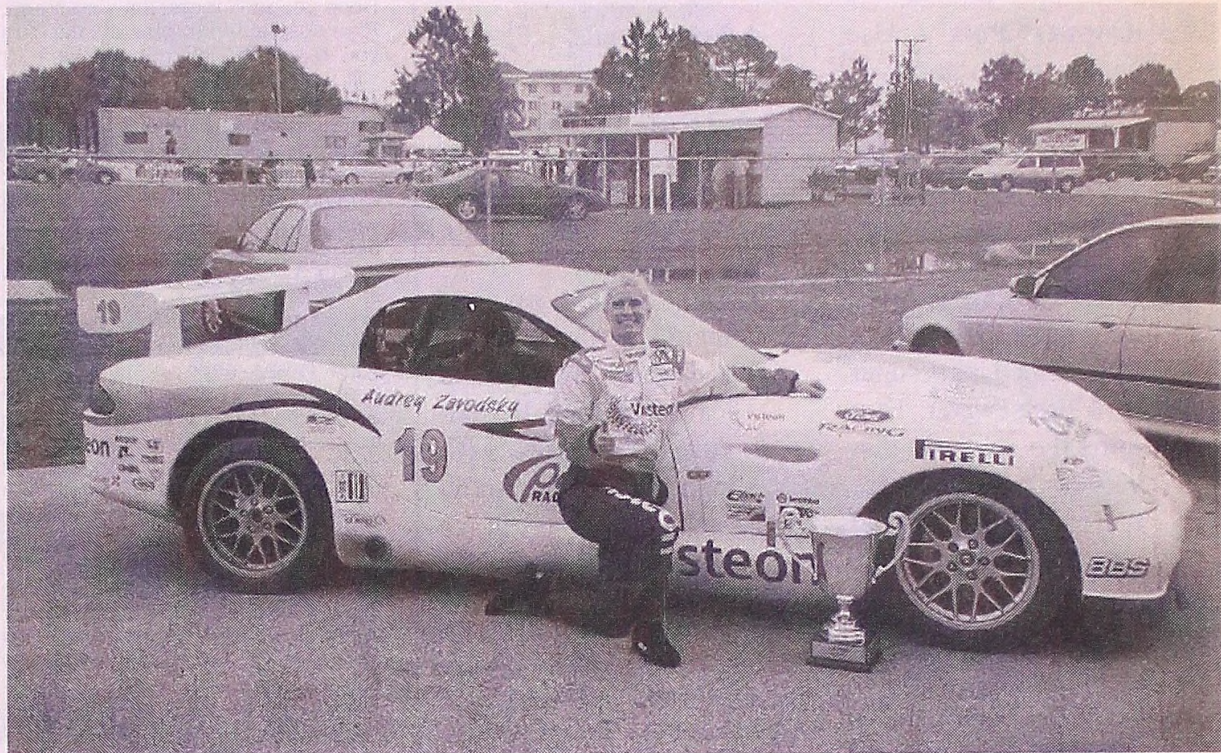

Former NFL player, Billy Ray Smith was co-hosting the program and went out of his way with the rest of the staff to make Audrey comfortable and to get an autograph for his daughter.

The evening was made exceptional as Audrey was invited to the NFL staff party. This event is reserved for the NFL staff people who work so diligently to make the Super Bowl super. Audrey also met Mr. Super Bowl himself, Jim Steeg.

The next day, the NFL had two buses available to take the NFL to Tijuana, Mexico. The buses were escorted to the border with a police car led caravan. At the border, the San Diego police department was replaced by Tijuana police cars, motorcycles, and an open 'air armed to the teeth' vehicle which formed a cavalcade that escorted the NFL buses to the stadium.

Upon arriving at the stadium, they were treated to a lunch that featured a specialty food item from each unique area in Mexico. While eating, they provided traditional Mexican music and folk dancing for entertainment. There were several dignitaries from the Mexican government that were on hand to recognize the group. The NFL gave the Tijuana officials a \$28,000.00 check to renovate their stadium and a \$100,000.00 check to the city.

Audrey was a last minute add to this event because someone cancelled at the last minute. Audrey went to work

and translated the major points of her speech into Spanish so as to make them more comfortable with her. Many of those in attendance said that Audrey's Spanish was "very good." To say the least, Audrey was a huge success with the Mexican girls that she was invited to talk to. The surprise was that the boys of all ages wanted her autograph as well as the parents who lined the fence to take a picture of her or simply to say "hola." People who could not get into the stadium were asking for her to turn around so that they could take a picture of her through the six-foot or higher cyclone fence that surrounded the sta-

dium. Audrey also autographed her Visteon cards and tossed them over the fence to them. It wasn't long

before the Mexican military moved close by to make sure everything stayed under con-

Tips from Tina

1. **Copper Pots** - Use lemon slices and salt, rub the lemon into the salt, then rub into the bottom of the pot, rinse.

2. **Hummingbird Food**
To make your own food, mix 1 part sugar to 4 parts water. Boil until the sugar is dissolved. Refrigerate the remaining unused mixture.

3. **Trains** - When sitting at the tracks at night it's a courtesy (to the person in front of you) to turn off your headlights and leave your running lights on.
4. **Fried foods** - Place a small bowl of white vinegar next to the stove when you fry food. The odor seems to disappear.

5. **Old stains on cement?** Apply a spray-and-wash product and leave it on for 5-10 minutes. Sprinkle with laundry detergent, scrub with a stiff brush or broom and then rinse.

"Tips from Tina" is a brand-new column being added to the weekly paper. Tina will be bringing you helpful time and energy-saving advice to make your busy life easier. Stop by again next week for more tips!

For entertainment purposes only.

Your Cosmic Look For The Week Of June 26th - July 2nd

For entertainment only!

Cancer June 22 - July 23

Grandma's babies shine in the sun. Hope you don't forget the sunscreen. Plan special trip to play at lake. Are you ready for the changeover? or will funds run dry? Keep bug spray near. 1422

Leo July 24 - Aug 23

One more party then time to rest? Don't count on it. Black furry animal wonders to unusual places. May be best not to follow. Keep lost items in hiding. Look east for best direction to walk. 2398

Virgo Aug 24 - Sept 23

Time looms near when you must seek the right path. No one can tell you where to go but some have valid suggestions. Children question why but others don't care. Time you start to care? 3398

Libra Sept 24 - Oct 23

Your weekend to party. Your weekend to shine. Save some energy to celebrate others enjoyment. Run for shelter when approached by unknown person. Color red is not right for you. 7772

Scorpio Oct 24 - Nov 22

Spend time with one you love and admit it to all you've been wrong. All these years. Be glad you are not in red either. Look in wallet for spare change to give to those in need. Greed is downfall. 4729

Sagittarius Nov 23 - Dec 21

Up and down, good and bad. Confusion is weighing heavily on mind, but most know air is weightless. Speak politely to person in red car, or was that red flashing lights? You decide. 1109

Capricorn Dec 22 - Jan 20

Oh Baby!!! Soon think positive. Red roses may help your cause but don't bet too much on it. Work habits improve but pay still leaves you in the red. Look forward to weekend of fun. 0093

Aquarius Jan 21 - Feb 19

Basic instincts tell you it is time to go elsewhere for love and money but your values lack body. Best times are found with old friend and old dog. No one understands you like they do. 1994

Pisces Feb 20 - Mar 20

Decisions made not to many likings but time to have peace of mind. Be ready for backlash. Stand tall and don't hide behind principles. Take family north or send them. Just find peace. 2114

Aries Mar 21 - April 20

Lack time to relax? Money got you down? Don't buy lottery tickets and think you can solve all the ills of world. Casino is not the answer either. Find money in sensible place called work. 4440

Horoscopes

William Grover

Taurus April 21 - May 21

Prepare for the big party now. Get fireworks soon. Children have figured out you buy on sale and not before holiday. A smile brings tears but happiness in long run. Be patient with yourself. 8278

Gemini May 22 - June 21

Tales of sadness ring loud. How much are you to blame. Time to look in mirror and see? Someone hurts and you are not able to heal. Situations may have you seeing red but who do you blame? 2222

Creamy Cucumber Bisque

Makes approximately 2 cups per 4 - 1/2 cup servings.

- 1 lg. cucumber - peeled, seeded & chopped
- 1 lg. green onion - chopped
- 1 Tbs. Lemon juice
- 1/4 cup sour cream
- 1/4 cup cream or Half & Half
- 1 tsp. dried Tarragon
- pinch or two cayenne pepper
- pinch or two white pepper
- Salt - to taste

Combine all of the ingredients in a blender and puree until smooth. Chill if needed before serving. Top each serving with some chives and a sprig of fresh dill.

Al Fresco

Georgette Heron-Willoughby

The finale is one of my favorite summer soups. If you have always been leery of trying a chilled soup, please make this one your first. I'm sure you will find it very pleasing to your palate.

Warmer weather means children are outside playing and riding bikes. Please watch out for them when you drive.

Sarah Schmitt Accepts Grant to Attend Lansing Community College

The Huron High School Athletic Department would like to announce that Sarah Schmitt has committed to run track and field at Lansing Community College. Sarah, who recently won the State Championship in the 800 meters, will accept a full athletic grant in aid to attend the two-year community college. "We are extremely proud of Sarah and how she has matured as an athlete and a student while at Huron High School." Commented Athletic Director Rick Dorn. Sarah is the third athlete in this year's senior class to accept a grant in aid to play athletics at the college level. Ryan Johnson will attend Wayne State University to play golf and Lauren Clark accepted a grant in aid to attend Eastern Michigan University to play softball. All total 13 athletes from Huron High School have committed to play athletics at the collegiate level over the last 3 years.

Flat Rock High Chess Team Takes 1st Place at U of M

Four newly-graduated seniors from the Flat Rock Community High School Chess Team took 1st place in the U of M-Dearborn Summer 2003 Chess Tournament held the weekend of June 14th. Their trophy is on display at the high school. The team consisted of John

Balowski, Kyle Hendges, Caleb Laura & Tom Lademann. John Balowski also took first place in individual. Flat Rock Community High School Math Teacher and Department Chair, Keith McMann, is sponsor of this club.

Audrey Participates in NFL Super Week Programs

(continued from page 5)

trol. This outpouring of support for Audrey continued long after the rest of the NFL crew had boarded the buses and were waiting for her to finish interacting with the crowd. It finally became evident that the crowd was growing that wanted to meet her and she had to bid them "good-bye." As Audrey approached the point where the buses were waiting, the military had lined up with ten or more soldiers on each side forming a receiving line for Audrey to pass through. As Audrey approached the soldiers, she put up both hands to 'high five' the soldiers and they all broke rank and returned the gesture with a big smile. Audrey finally made it to the bus with a few minutes to spare.

The audience at this event seemed to have a very effective method of spreading the word of Audrey's accomplishments and they wanted to meet the unannounced Le Mans driver. A woman who was very high up in the Mexican government came over and spoke to Audrey for

quite some time and said that she wanted to keep in touch with her. She said that she wanted Audrey to know that she had a "big fan of her's in Mexico." The buses were again escorted to the border with all the pageantry that one could imagine. It was just after arriving back at the hotel that Audrey was invited to a "staff" dinner that took place on a sixty-three foot yacht. This yacht cruised the bay as dinner was served. This event provided a sharp contrast to the military boats preparing to ship out for the growing war plans concerning Iraq. A stark reality check that they serve so that we may enjoy the Super Bowl and our freedom.

Upon leaving the next day, we met members of the Brigham Young Basketball team and exchanged some lively moments with them before we left. When they found out who Audrey was, the conversation became more animated and Audrey left them with her Visteon hero card.

Huron Soccer Fall Registration

Late sign-up Monday, June 30th
at Lajko Park
From 6:30-7:30PM

F.Y.I. — HOUSE LEAGUE

U6 (Ages 4 1/2-6) Play Monday-Saturday Mornings
